Formatted by William K. Walker for posting at <http://www.nvdi.com/mtbahai/wilcott>. Mirrored from <http://www.nvdi.com/mtbahai/wilcott> with permission of both author and editor. Ed. note: I've disturbed Mr. Drong's text as little as possible, with one exception: I broke the original article into sections and created a table of contents. This does not imply any lack of diligence on Mr. Drong's part. I just needed to divide the text into a series of smaller web pages that were manageable for people with slow Internet connections. -W.K.W.
