

Nitisataka based on the Chaukhamba Vidya Bhavan  
edition by Srhirkrishnanamani Tripathi, 1990.

Srngarasataka based on the Vidya Bhavan Sanskrit Granthamala (no. 61)  
edition from Chowkhamba (1988).

Vairagyasataka based on the Vidya Bhavan Sanskrit Granthamala (no. 67)  
edition from Chowkhamba (1988).

[NOTE by J. K. Brzezinski:

It really needs a critical reading, as there seem to be several  
extant editions with different numberings and many interpolated verses.

This text could use proofreading ...]

## Revisions:

- 2020-07-31: TEI encoding by mass conversion of GRETIL's Sanskrit corpus
