

ed.by A.F. Stenzler, London 1876.

Input by Nobuyuki Watase

The original input format has been modified according to GRETIL conventions.

The text is not proof-read!

STRUCTURE OF REFERENCES:

GautAA_n,n.n = Anandasrama ed._prasna,adhyaya.sutra

GautSt_n.n = Stenzler's ed._chapter.sutra)

If only one of these two references is given, the respective sutra is lacking in the other edition!

{VAR_St: ...} = variant reading in Stenzler's edition

NOTE:

In this GRETIL version, all variants have been extracted from the running text and transferred to a separate line below the respective sutra.

Revisions:

- 2020-07-31: TEI encoding by mass conversion of GRETIL's Sanskrit corpus
