3. Years 2000-2004, from archive.org

3a. Notes, 2000-2004

These issues were posted online, and later archived by archive.org.

Most of the images are missing, and the PDFs have the archive.org logo.

Many diacritics — accented letters — were not preserved.

A Table of Contents PDF is included for each volume, e.g.

`bjuk_2004_jan-feb_v20_n5_0_ToC.pdf`. The embedded links in these PDFs point directly to archive.org's backup of `bahaijournal.org.uk`.

I renamed all the “article” pages I could by file name if the section is

about one article. Now if one says “articles” it means there are multiple articles on that page.

The two download sections below, "zipped" and "individual," are copies of the same documents. Download the zipped ones if you want to have these on your own computer, or click the individual ones to view them online.
