## I. From the Bahá'í Writings

BLESSED IS THE SPOT P.1

Blessed is the spot, and the house,  
and the place, and the city,  
and the heart, and the mountain,  
and the refuge, and the cave,  
and the valley, and the land,  
and the sea, and the island,

and the meadow where mention  
of God hath been made,  
and His praise glorified.

Bahá'u'lláh

Love Me That I May Love Thee

O son of being,  
Love me, that I may love Thee.  
If thou lovest me not,  
My love can in no wise reach Thee.  
Know this, O servant.

Bahá'u'lláh

O God, Guide Me

O God, guide me, protect me,  
illumine the lamp of my heart,  
and make me brilliant star.  
Thou art the Mighty and Powerful.

'Abdu'l-Bahá

Remover Of Difficulties

Is there any Remover of difficulties  
save God?  
Say: Praised be God!  
He is God!  
All are His servants  
And all abide by His bidding!  
Báb

O God Educate These Children

P.2

O God! Educate these children.

These children are the plants

of thine orchard,

the flowers of Thy meadow,

the roses of Thy garden.

Let Thy rain fall upon them;

let the Sun of Reality

shine upon them with Thy love.

Let Thy breeze refresh them

in order that they may be trained,

grow and develop, and appear

in the utmost beauty.

Thou art the Giver.

Thou art the Compassionate.

To Teach Is To Learn

To teach is to learn, to learn is to work,

To work is to serve, to serve is to love,

To love is to sacrifice, to sacrifice is to die,

To die is to live, to live is to strive,

To strive is to rise above all earthly  
Limitations and enter the eternal realm.

-'Abdu'l-Bahá

Sing A New Song?

P.7

Sing a new song

A new day is dawning,

Sing a new song

The promised one is come.

Waken the world with songs

Of your rejoicing

Sing a new song

Bahá'u'lláh is come.

Long the world in sorrow waited

Now the dawn of light is here

Sing a new song

And set the world rejoicing

Sing a new song

Bahá'u'lláh is come

Waken the birds

To join in exaltation

Waken the winds

To shout it to the world

Waken the sun to shine  
Throughout the nations  
Waken mankind  
Bahá'u'lláh is here.  
Now the light of God is shining,  
Waken mankind from its sleep.  
Sing a new song  
And set the world rejoicing  
Sing a new song,  
Bahá'u'lláh is here.

Once Was A Man?  
P.8

Once was a man who told a story,  
Once was a man who told a story,  
Once was a man who told a story,  
To all mankind.

He told a story of love,  
Told a story of life,  
Told a story to all who lived,  
Told it to my heart.

He lives in the minds of men,  
Lives in the hearts of all,  
Lives to teach the word of love,  
He's Bahá'u'lláh.

The Prince of Peace

They called Him the Prince of Peace,  
They called Him the Prince of Peace,  
From Constantinople to Adrianople,

To Akka the prison by the sea.

There lived a man across the ocean,  
There lived a man across the sea,  
He spoke of love, He spoke of justice,  
He spoke to man of unity.

His light is shining forth in all His Glory,  
His light is shining for all to see.  
It's covered the earth,  
Given it new birth,  
His light is shining forth for you and me.

His teachings spread from kings to laymen,  
His teachings spread to all mankind.  
His teachings took on all religions,  
And left no helpless soul behind.

Ayyam-i-ha Is Here?  
P.9

Ayyam-i-ha Is gift of God  
A time for young and old  
A time for joy, a time for fun  
A time for each and everyone.

Ring out, sing out  
The glad, glad cheer  
Join in, be happy  
Ayyam-i-ha is here.

Ayyam-i-ha don't forget  
A n ailing friend, an injured pet

A time to give, a time to care  
When we have happiness to share

Ring out, sing out  
The glad, glad cheer  
Join in, be happy  
Ayyam-i-ha is here.

Ring out, sing out  
The glad, glad cheer  
Join in, be happy  
Ayyam-i-ha is here.

Ayyam-i-ha especially,  
A time for friends and family  
So make that call, or write that note  
Or send a poem that you wrote.

Ring out, sing out  
The glad, glad cheer  
Join in, be happy  
Ayyam-i-ha is here.

The Ayyam-i-ha Song  
P.10

I will buy you a present,  
You will bake me a pie  
Then we'll open the presents,  
And all get starry eyed.  
Then we'll stand around the ring  
All holding hands  
For Ayyam-i-ha's the gift of God to man.

I will bake some cookies,  
You will paint them bright

To celebrate springs coming,  
To melt the snow and ice,  
Then we'll stand around the ring  
All holding hands  
For Ayyam-i-ha's the gift of God to man.

Ayyam-i-ha's the gift of God to man,  
And in the spirit of His giving  
We try to understand  
Ayyam-i-ha's the gift of God to man.  
Then we'll stand around the ring  
All holding hands  
For Ayyam-i-ha's the gift of God to man.

Ayyam-i-ha's the gift of God to man  
And in the spirit of His giving  
We try to understand  
Ayyam-i-ha the gift of God to man.

Bahá'u'lláh's Birthday  
P.11

Do you know what day we remember  
On the twelfth day of November?  
We give thanks to the land of Ta.  
For giving us Bahá'u'lláh.  
Ring the bells and sound the horns!  
This is the day when He was born.

Naw-Ruz

Naw-Ruz is the time of year  
When our hearts are filled with cheer.  
Children from both far and near,  
Wish each one a happy New Year.

So we all unite and sing,  
Songs of joy and love we bring,  
All together spread the word,  
'round the world it shall be heard

#### IV. Attributes

Courtesy  
P.12

If the day should feel cloudy and gloomy  
And there seems to be nothing to do,  
Help a friend. Tell your mother you love her,  
And your soul will feel shiny and new.

Chorus:

Courtesy seems to be  
that I make sure that you're happy  
Before I take care of me.

Are you glad? are you happy?  
'Abdu'l-Bahá asked the friends every day.  
He wanted all of our hearts to be happy,  
Courtesy makes us feel that way.

Chorus

Say "please", "you're welcome"  
and "thank you"  
"May I do something for you today?"  
Bring smiles to the people we talk to  
That those words become easy to say.

Chorus

Saying prayers during Feast is so special,  
We feel that the Master is so near,  
Now he loves us to serve one another  
With hearts full of kindness and cheer.

### Happiness

Happiness runs in circular motion,  
Floating like a little boat on the sea,  
Everybody is a part of everything anyway,  
You can be part if you set yourself free.

### Equality

P.13

Men and women it's plain to see  
Are the soaring wings of humanity.  
And when those wings begin to fly  
To an equal degree,  
Mankind comes to maturity.  
So let us everyone teach our  
Children of unity,  
To love everyone with equality,

### Chorus:

La la la, la la la, la la la la la la,  
La la la, la la la, la la la la la la,  
Black or white, red or tan,  
Lord a person is recognized in every land.  
It's time we recognized the perversity  
Of hating people by heredity.  
So let us everyone teach our  
Children of Unity.  
To love everyone with equality

### Chorus

Let's open our eyes, and open our ears,  
Or we're not gonna make it  
Through another year.  
People of all Faiths and nationalities,  
From land to land, and sea to sea...  
So let us everyone teach our  
Children of Unity.  
To love everyone with equality.

La la la, la la la, la la la la la la,  
La la la, la la la, la la la la la la,  
La la la la la la,  
La la la la la la.

Obedience  
P.14

The clouds of tests are gathering near,  
We can hear the thunder roaring,  
The storm of chaos breaks on our land.  
Let us turn our souls to God,  
Be obedient and steadfast,  
United, not divided we stand.

Chorus:

Be strong, be vigilant. You'll be rewarded.  
Be strong, be vigilant. You'll be rewarded

Let's remember who we are,  
The eyes of so many are upon us.  
Let us grow, serve, love and obey,  
For by living Bahá'í lives  
We bring hope instead of happiness  
To a world full of crumbling and decay.

Chorus

As the world around us falls,  
Blind friends are stopped by walls,  
Let us lead them to the light of truth.  
To be strong, obey the laws.  
Let us build a better world.  
It really must be done by the youth.

Chorus

Truthfulness P.15

Telling the truth can be easy,  
When grandma asks,  
"Would you like yogurt to eat?"  
It's easy to say, "Yes, yes, yes!"  
And know it's the truth.

Chorus:

Truthfulness makes us strong.  
Our hearts and our souls grow like giants.  
Telling the truth can seem kind of scary,  
Bahá'u'lláh tells us it's necessary  
To always tell the truth.

Telling the truth can be hard.  
When mother says,  
"Did you lose your brand new shoe?"  
It's hard to say "Yes, yes, yes".  
When it's the truth.

Chorus

Telling the truth can be scary,  
It's hard to tell people  
You've done something wrong.  
But parents are happy

When children tell the truth.

Patience

P.16

A rock is patient.

It sits through lightning, snow and grime,

Rocks don't complain,

They take the time to change.

A rock is patient.

A plant is patient.

The seed grows when the time's right just right,

It know's the day's for the sun,

The night's for rest.

A plant is patient.

A cow is patient

She stands all day to chew and eat,

She gives us milk in cold and heat and rain.

A cow is patient.

Sometimes I'm patient,

When people ask I stop and wait,

Sometimes it's hard but it feels great to know,

I can be patient.

The Master was patient,

He did what God asked Him to,

I hope I grow up like 'Abdu'l-Bahá

For He was patient.

Love, Peace, Unity

Love Your Neighbors and Friends  
P.17

Love your neighbors and friends,  
That's the word that God sends,  
For a world of unity,  
Love your neighbors and friends.

I'm Bahá'u'lláh's child  
He has taught me to love  
All the children around the world.  
I'm Bahá'u'lláh's child.

There's a faith filled with love,  
Joy and happiness too.  
All Bahá'ís around the world,  
Give this friendship to you.

Ya Baha'u'-l-Abha!  
Ya Baha'u'-l-Abha!  
Sing you children around the world.  
Ya Baha'u'-l-Abha!

Get Together  
P.18

Chorus:  
Come on people now,  
Smile on your brother  
Everybody get together  
Try to love one another right now.

Love is but a song we sing  
Fear is the way we die  
You can make the mountains ring  
Or make the angels cry

Though the bird is on the wing

You may not know why.

Chorus:

Some people may go

Hate will surely pass

When the one who left us here

Returns for us at last

We are but in moments of life

Fading on the grass.

Chorus:

If you hear the song I sing

You will understand

You hold the key to love and fear

All in your trembling hand

Just one key unlocks them both

It's there at your command.

Chorus:

Fellowship

P.19

Long time ago in Mazinderan

So the Dawnbreakers say,

Manifestation of God was born,

Bringing the promised day.

He sing a song to all mankind,

All the mountains they ring,

See all the people laughing with  
joy,

This is the song that they sing:

Chorus:

Fellowship, Fellowship,

Love, Love, Unity,

All the people are one

Man is a member of just one family

The age of peace has begun.

Mulla Husayn went down to Shiraz,

To find the Point of Bayan

Say, Mulla Husayn go tell all the people

The Prophet He speak again, and He say:

Chorus:

The Shah thought he would put out the light,

But our Lord from Iran say

"Shah what a foolish man you be --

"My Teaching has only begun!"

Chorus:

The Master say we should always be happy

Laughing and singing so

I want you should all join in the refrain

By now you should know how it goes.

And we sing:

Chorus: (TWICE)

Flowers of God's Garden

P.20

We are Flowers of God's garden,  
Bright as the morning sun, fresh as the dawn  
Lovely in differences, varied in loveliness,  
We are the flowers of humanity.

I am a black rose, dark, exotic,  
Poignant in beauty, fragrant as the night.  
God has entrusted me with Joy and mystery,  
We are the Flowers of humanity.

I am a red rose, sweet and lovely,  
Gay as a bird on a bright, summer day,  
Singing a song of God, where'ere I wander  
We are Flowers of humanity.

I am a white rose, gleaming, shining,  
Sparkling like snow on the mountainside.  
Restless as whitecaps flung  
By the oceans breeze,  
We are the Flowers of humanity.

Brown is my color, rich and glowing,  
Full of the warmth of God's sweet love,  
Heir to all nations, grandeur my destiny,  
We are the Flowers of humanity.

We are the Flowers of God's garden,  
Bright as the morning sun, fresh as the dawn  
Lovely in differences, varied in loveliness,  
We are the Flowers of humanity.

Good Neighbors  
P.21

Chorus:

Good neighbors come in all colors  
Red, black, yellow and tan,  
Our outsides may be different  
But we belong to the family of man.

When my doorbell starts to ring,  
I can't see the person's skin  
Even if he had bright blue skin  
I'd welcome him right in.

Chorus

When my neighbor starts to cry  
It hurts him and that hurts I  
Even if he had orange eyes  
It hurts him when he cries.

Chorus

When my neighbor wants to share,  
Joy and happiness everywhere  
Even if had purple hair  
I wouldn't even care.

Chorus

A Plea For One World  
P.21

A plea for one world  
Is heard in many different lands,  
This is a plea for a world  
That is hungry for peace

Let all men come together,  
Let all men live together,  
Happy in all kinds of weather  
Singing a song of peace. (2)

Love, Love, Love P.22

Love, love, love, love,

Love your fellow man.

Love, love, love is how the world began.

God loved creation so He created thee to  
Love, love, love Him and humanity.

Love, love, love the everlasting good,  
Love, love, love the seed of brotherhood.  
Love, all creation for He created you to  
Love, love, love, Him and humanity.

Love, God's creatures be they near or far.  
See each human as a shining star.  
Love, all creation for He created you to  
Love, love, love Him and humanity.

Last Night I Had The Strangest Dream  
P.23

Last night I had the strangest dream  
I ever had before,  
I dreamed the world had all agreed  
To put an end to war.  
I dreamed there was a mighty room  
And the room was filled with men  
And the paper they were signing said  
They'd never fight again.  
And the paper was all signed  
And a million copies made  
They all joined hands and circled round  
And grateful prayers were said.  
And the people on the streets below  
Were dancing round and round  
With swords and guns and uniforms  
All scattered on the ground.  
Last night I had the strangest dream  
I ever had before,

I dreamed the world had all agreed

To put an end to war.

Let There Be Peace On Earth

P.24

Let there be peace on earth

And let it begin with me;

Let there be peace on earth

The peace was meant to be.

With God as our Father,

Brothers all are we.

Let me walk with my brother

In perfect harmony.

Let peace begin with me,

Let this be the moment now

With every step I take,

Let this be the moment now

With every step I take,

Let this be my solemn vow:

To take each moment

And live each moment

In peace eternally.

Let there be peace on earth

And let it begin with me.

World Citizens

P.24

Chorus:

"Glory not in this that you love your country",

Glory in this that you love mankind.

We're the fruits of only one tree

And the leaves of just one branch.

World Citizens! World Citizens!

Unity, the world cries for unity.  
Its rays are dawning like the sun.  
Soon the world will be one.

Chorus

In unity that's how the world must be,  
All its people live as one.  
Like fragrant flowers in the sun.

Chorus

Oh What A Beautiful World  
P.25

Oh what a beautiful world this will be  
When all men learn to see  
Oh what a beautiful world this will be  
When all men learn to know

Chorus:

Bahá'u'lláh will show us the way  
Bahá'u'lláh has brought a new day  
Bahá'u'lláh, Bahá'u'lláh  
Bahá'u'lláh, Bahá'u'lláh

Oh what a beautiful world this will be  
When all men learn to hear  
Oh what a beautiful world this will be  
When all men learn to love

Chorus

Oh what a beautiful world this will be

When all men learn to see  
Oh what a beautiful world this will be  
When all men learn to know

Chorus:

It's A Small World  
P.25

It's a world of laughter, a world of tears,  
It's a world of hope and a world of fears.  
There's so much time that we share,  
That it's time we're aware  
It's a small world after all.

It's a small world after all. (4)

There is just one world and one golden sun,  
And a smile means friendship to everyone,  
Though the mountains are wide  
It's a small world after all.

It's a small world after all. (4)

Building Bridges  
P.26

Chorus:

We are building bridges out of the walls,  
Building bridges out of the walls, (2)  
They keep us apart.

When the wall says stay away  
We are from a different land  
We're going to tell them

The earth's one country,  
We're world citizens.  
And turn that wall into a bridge,  
Take my brother by the hand and  
Walk across that bridge  
To the world God promised man.

Chorus

When the wall says stay away,  
We are from a different race  
We're going to tell them  
This is just one race  
That's the human race  
And turn that wall into a bridge,  
Take my brother by the hand and  
Walk across that bridge  
To the world God promised man.

Chorus

When the wall says stay away,  
Our religion is not the same  
We're going to tell them  
That we just worship  
God by different names  
And turn that wall into a bridge,  
Take my brother by the hand and  
Walk across that bridge  
To the world God promised man.

Chorus

## What Mankind Has To Learn

P.27

There's only one God  
Throughout the universe,  
But man multiplied Him and so,  
There's a "your God" and "my God".  
What mankind has to learn is that  
There's only one God to know.

There's only one race  
Of men upon earth  
But man did divide it and so,  
There's a black race and white race,  
What mankind has to learn is that  
There's only one race to know.

Earth was one country when  
God gave it to man  
But man did divide it, and so,  
There's a China, a Turkey;  
What mankind has to learn is that  
There's only one country to know.

Religions are one as the  
Prophets all have sung  
But mankind denied them, and so  
There's just one religion  
What mankind has to learn is  
Religions are one thing to know.

There's only one-ness throughout  
The world of God

But man won't believe it, and so  
He divides and multiplies it, oh  
Won't he ever learn that  
There's only ONE-NESS to know.  
Religions are one thing to know.

The Rose  
P.28

Some say love, it is a river,  
That drowns the tender reed,  
Some say love, it is a razor  
That leaves your heart to bleed.

Some say love, it is a hunger,  
An endless, aching need,  
I say love it is a flower,  
And you its only seed.

It's the heart afraid of breaking  
That never learns to dance,  
It's the dream afraid of waking,  
That never takes the chance.

It's the one who won't be taken  
Who cannot seem to give,  
And the soul afraid of dying,  
That never learns to live.

When the night has been too lonely  
And the road has been too long,  
And you think that love is only  
For the lucky and the strong.

Just remember in the winter,  
Far beneath the bitter snow,  
Lies the seed that with sun's love  
In the spring becomes the rose.

O Bahá'u'lláh  
P.28

O Bahá'u'lláh, O Bahá'u'lláh,  
O Bahá'u'lláh  
Bring us together in unity,  
Bring together as one family  
We are all waves of one sea

We are leaves of one tree,  
We are all flowers of one garden,  
Bring us together in unity,  
Bring us together as one family.

We are all stars in the sky,  
We are one in God's eye,  
Bahá'u'lláh came for mankind,  
To bring us together in unity,  
Bring us together as one family.

We are all angels of fire and snow,  
We see the light and away we go  
Spreading the news of the one foretold,  
Bring us together in unity,  
Bring us together as one family.

Darkness has fallen on this land,  
Evil tries to force our hand,  
United in God together we stand,

Bring us together in unity,  
Bring us together as one family.

God is One  
P.29

God is one, man is one  
And all the religions are one.  
Land and sea, hill and valley,  
Under the beautiful sun.

God is one, man is one,  
And all the religions agree.  
When everyone learns  
The three one-nesses  
We'll have world unity.

Magic Penny  
P.30

Happiness is something if you give it away  
Give it away, give it away,  
Happiness is something if you give it away  
Give it away, give it away,  
It comes right back to you.

Chorus:

It's just like a magic penny  
Hold it tight and you won't have any.  
Lend it, spend it, give it away,  
It comes right back to you.

A smile is something if you give it away,  
Give it away, give it away,

A smile is something if you give it away,  
It comes right back to you.

Chorus

Love is something if you give it away,  
Give it away, give it away,  
Love is something if you give it away,  
It comes right back to you.

Queen of Carmel  
P.30

Standing on the mountain  
Looking 'cross the bay  
The Queen of Carmel reigns  
She reigns majestically.

Chorus

Cry out O Zion  
Cry out to your Lord  
Cry out O Zion  
Circle 'round in adoration  
Circle 'round your Lord!

Robed in white and crowned in gold  
She stands for unity  
Shining on the Throne of God  
She lights the seekers way.

Chorus

The Hidden One has come to thee  
Whose glory we acclaim

God will sail His Ark on Thee  
As mentioned in the Book of Names.

Chorus

Peace  
P.31

One day soon peace will fill the world  
Just like a shining sun  
And one day soon men will live in harmony,  
In the garden.

Chorus:

Peace is the promise  
Of the Messengers of God  
Peace is the only way  
Mankind can live as one  
Peace brings true happiness  
To you and then to me,  
And peace will come.

One day soon, violence will vanish,  
Just like a threatening storm that fills the air.  
And one day soon broken  
Hearts will be mended  
Just as quick as the doctor  
Heals a hurting wound.

Chorus (repeat)

Loving Hands  
P.32

Mothers hands so soft and smooth

Here to touch and here to sooth  
Rock me, swing me, through the storm  
In mothers's hands I'm safe and warm.

Fathers hands so big and strong  
And his fingers oh so long  
Lead me, guide me, catch me quick  
A loving hand is yours I'll pick.

Loving hands mean loving hearts.  
Strength and wisdom they impart.  
Now I trust these hands to thee  
Kind and good to me.  
When I'm grown I'll have  
Loving hands.

Mothers hands when you are young  
They pat you dry when bath is done  
They do so many wondrous things  
So much joy her hands can bring.

In fathers hands I fly so high  
I feel like I could touch the sky  
And when he's firm his hands they speak  
I realize I'm small and weak.

Loving hands mean loving hearts.  
This I know right from the start.  
When I'm grown they'll set me free  
Reaching for the world  
Reaching for the world  
Loving hands. (repeat)

Blessed Beauty  
P.33

Chorus:

Walking with me, talking with me  
Laughing with me, singing with me  
Hoping for me, caring for me.

As I walked down my troubled street  
Feeling so bad and looking at my feet  
I turned my face unto the sky  
And I saw a white cloud passing by  
And I know the Blessed Beauty  
Was there and He was.

Chorus

As I walk down my crooked street  
I tell everyone I get to meet,  
"Hey brother, don't despair, The  
Blessed Beauty is there, and He is..."

Chorus

Now black man, white man,  
Yellow man, read man  
When your hopes are shattered  
and torn,  
Push some more,  
You can open any door,  
Because He is...

Chorus

You people of Baha, please  
take heed

Don't be afraid to mount your  
steed

The Blessed Beauty knows you

And He knows you needs

Because He is...

Chorus

Blowing in the Wind

P.34

How many roads must a man walk down

Before he is called a man?

How many seas must a white dove sail

Before he sleeps in the sand?

How many times must a cannon ball fly

Before they're forever banned?

Chorus:

The answer my friend is blowing in the wind

The answer is blowing in the wind.

How many years can a mountain exist before

it is washed to the sea?

How many years can some people exist before

they're allowed to be free?

How many times can a man turn his head

And pretend that he just doesn't see?

Chorus

How many times must a man look up before

How can see the sky?

How many ears must one man have before

He can hear people cry?

How many deaths will it take till he knows

That too many people have died?

The answer my friend is blowing in the wind

The answer is blowing in the wind.

One Heart Ruby Red  
P.36

Walking down the street I met a friend,  
A friend wit skin of golden brown,  
Suffrin', suffrin',  
With his head a hangin' down.

Chorus

One heart ruby red, one hart ruby red,  
One heart ruby red, beats the heart of man.  
Walking down the street I met a friend,  
A friend of skin of midnight black,  
Suffrin', suffrin',  
With a grief upon his back.

Chorus

Walking down the street I met a friend,  
A friend with skin of snowy white,  
Suffrin', suffrin',

Holding up the wall with all his might.

Chorus

Walking down the street they all did met,  
A blend of men of brown and black and white,  
Softly, softly,  
Softly they walked into the night.

Chorus

When a friend can meet another friend,  
And when for hate there's love instead,  
'neath a cloak of varied hue  
Beats one heart of ruby red.

Time is a one Time Thing  
P.37

Time is a one time thing  
This is a song I sing  
Time is a one time thing  
Time is a song I sing  
Time is now, time was then  
Time, it will be when  
Time was before, time is forever.

Soul is a curious thing...

Love is a beautiful thing...

Man is a wonderful thing...

Now it's time and we all are here,  
Let all men be drawing near  
Let the love within reach out  
Let the love within reach out  
For you know that  
Love binds us together.

Time is a one time thing...

Here I Am  
P.38

Chorus:

Valley, mountain, cave and forest,  
House and meadow  
Valley, mountain, cave and forest,  
House...

Seek me, in the valley and the mountain  
And the cave and in the forest and  
The house and the meadow.

Find me, I'm in the faces that you meet  
And though I'm hidden  
I'm not hiding, here am I.  
I'm in you. Find me.

Chorus

Busca, en el valle, la prader,  
La montana,  
En el bosque, en tu hogar,  
Donde quiereras.  
Mira, en las las caras de las gente,

En los ojos

Que me piensen, mirame,

Alli estoy, alli.

Love me, 'cause if you don't

My love is like the rain

That falls on barrels

That are upside down.

Share me, there are so may

Who don't know me

O, so many who'd be happy

If you would share me.

'cause I love you. Wo-o-o-oh.

Valley, mountain, cave and forest,

House and meadow

Oh won't you seek me,

Won't you feed me, love me,

Everywhere, I'm in you.

Oh, what won't you love me, turn all

Those barrels up, love me do.

Oh, won't you share me,

Make everyone happy,

Share me do.

En cualquier parte, donde

Buscas, me encontraras.

Oh, won't you seek me,

Won't you find me,

Love me, share me do

A Robin's Song

P.40

Harken my brothers, and I will sing thee,

A lovely tune, a lovely melody;

Once I was walking, in the deep forest,

And a lovely robin sang this song for me:

Be not thou lonely, in midst of trouble

Nor be despairing, in midst of woe,

Rather be thankful, for all thy trials,

For without trials, we can never grow.

Be thou immovable as a mountain

A mighty peak firm against the blast,  
For winds shall blow, and bitter  
Storms surround thee,  
And all is lost if thou be not steadfast.

Be thou a refuge for all who wonder,  
Be thou a haven for every homeless soul  
Be thou a lighthouse upon the ocean,  
Guiding the vessels through the  
wind and snow.

Walk thou uprightly, amongst mankind,  
Be not dependent on any living soul,  
For God will help thee, in time of danger,  
And in times of sickness  
He will make thee whole.

Show forth all meekness, unto all people,  
Put not thyself ahead of anyone.  
Be an example unto the righteous,  
And in the darkness, be a shining sun.

Show forth uprightness, in all thy actions,  
Be thou unselfish in all thy deeds,  
For he shall prosper, who is trustworthy,  
And if be honest, he shall have no need.

Thus sang the robin, in that deep forest,  
His song of cheer, ringing through the glen.  
For without trials, we can never grow."

God is Sufficient Unto Me  
P.41

God is sufficient unto me.  
He verily is the all sufficing.  
In Him let the trusting trust,  
In Him let the trusting trust,  
In Him let the trusting trust.

Each day recall My name  
And with each day My thought  
Penetrates into your heart.  
Then are you among those  
Who are always in God's thoughts.

Open up waiting to the world  
Waiting for you; what'll you do

Open up your mind let the wisdom in

We Are The Children Of The Half Light  
P.43

We are the children of the half light,  
We are the seekers of the dawn.  
We bear the weight of a trembling world  
So that we may reborn.  
Born to walk the paths of justice,  
Of universal love.

We are the children of the half light,  
We ask the world to come and see,  
The shape and form of a new day,  
Of what is meant to be.

All of us are one in spirit,  
And that's what makes us strong.  
We are the children of the half light,  
Asking you to join in our song.

The Wind is Singing in the Mountains  
P.44

The wind is singing in the mountains,  
Across the valleys and the plain,  
And joyously calling in the islands,  
"Let love and unity reign,  
"Let love and unity reign,  
Let love and unity reign."  
"The wind is singing in the mountains,  
"Let love and unity reign."

The crickets crying in the valley  
Can't see the brilliance of the dawn,  
Can't hear the singing of the mountains

"The Promised One is come!

"The Promised One is come!"

The wind is singing in the mountains,

"Bahá'u'lláh is come!"

So let us shout it from the mountains,

And fill the world with song.

The wind is singing in the mountains,

"Bahá'u'lláh is come!"

Oh hear the song of the wind,

Come sing the song of the wind.

The wind is singing in the mountains,

"Bahá'u'lláh is come!"

The Kingdoms Of God

P.46

I'll sing you a rock, can it grow, can it walk

Can it do anything but be?

No it can't grow or walk `cause it's

Only a rock in the sand by the side of the sea.

It's in the Mineral Kingdom, the Mineral

Kingdom, the Mineral Kingdom of God. (2x)

I'll sing you a tree can it walk, can it see,  
Can it grow and bear fruit and be green?  
Yes, it surely can grow,  
No it can't move or know  
Though it be the best tree you've ever seen

It's in the Vegetable Kingdom, the Vegetable  
Kingdom, the Vegetable Kingdom of God. (2x)

I'll sing you a frog, and a cat, and a dog,  
And I'll sing you an elephant, too.  
They can grow, they can be, they can walk  
They can see,  
But they are not quite as special as you.

They're in the Animal Kingdom, the Animal  
Kingdom, the Animal Kingdom of God. (2x)

I'll sing you a boy with his heart full of joy  
And I'll sing you a happy girl too,  
They can run, they can grow, they can think  
They can know  
They can learn about God just like you.

They're in the Human Kingdom of God, the Human  
Kingdom, the Human Kingdom of God. (2x)

I'll sing you song that will help you along,  
So you'll always remember God's love  
He wants us to know Him and love Him and so  
He sends teachers of truth from above.

They're in the Spiritual Kingdom, the Spiritual  
Kingdom, the Spiritual Kingdom of God. (2x)

The Three Wives of Abraham  
P.47

From the three wives of Abraham,  
The prophets came,  
To teach us the Most Glorious Name.  
Zoroaster and Krishna,  
They brought the word,  
And again the voice of God was heard.

Chorus:

Buddha's light rekindled the flame  
Moses and the burning bush, He did the same,  
Then came Jesus with the dove,  
To teach us the word and the word was love.

With Mohammad's prophetic cycle  
It was sealed,  
A new world order had been revealed.  
Through the Bab, the Gate,  
Bahá'u'lláh, the Pen  
It shall be on earth as it is in Heaven.

Chorus:

With Mohammad's prophetic cycle  
It was sealed,  
A new world order had been revealed.  
Through the Bab, the Gate,  
Bahá'u'lláh, the Pen

It shall be on earth as it is in Heaven.

Will You Look Now My Friend  
P.48

Will you look now my friend,  
At the beauty of the rose,  
And tell me truthfully  
Does it matter where it grows?

Are its colors and its fragrances  
Any less true if its grown in a garden  
Owned by me or you?

Will you look now my friend,  
At the lamp that sheds light.  
And tell me truthfully  
It is glowing wrong or right?  
When this dark world needs the light  
So all men can see,  
Does it matter if this lamp is  
Held by you or me?

The sun of Truth has shone  
In many mirrors,  
The lamp may change,  
The light remains the same  
The prophets all spoke the truth eternal  
Though each had his own mission,  
His own name.

Will you look now my friend,  
At the truth in every Faith,  
And tell me truthfully

Does it merit life or death?  
If the Word of God is evident  
In every Holy Book?  
Does it matter if the name is not  
The one your fathers took?

Will you look now my friend,  
To the nightingale's song,  
And tell me truthfully  
Is it glory right or wrong?  
When the Lord reveals His Will for men  
Where e'er it may be found  
Does it matter from whose lips  
The melodies of God may sound?

What Color Is God's Skin  
P.49

Good night I said to my little son  
So tired out when the day was done,  
Then he said to me as I tucked him in  
Tell me mommy what color is God's skin?

Chorus:

What color is God's skin?  
What color is God's skin?  
I said its black, brown, yellow  
It is red it is white  
Every man's the same in the good Lord's sight.

Chorus

He looked at me with his shining eyes,

I knew I could tell no lies  
When he said mommy why do the different  
Races fight?  
If we're the same in the good Lord's sight?

Chorus

Son that's part of our sufferin' past  
But the whole human family is learning at last,  
That the thing we missed on the road we trod  
Was to walk as the daughters and the sons  
Of God

Chorus

Through The Year  
P.50

God be with you in the spring time  
When the violets unfold,  
And the buttercups and cowslips  
Fill the field with yellow gold.  
In the time of apple blossoms,  
When the happy bluebirds sing,  
Filling all the world with gladness  
God be with you in the spring.

God be with you in the summer,  
When the sweet June roses grow,  
And the bobolinks are laughing  
And the brooks with music flow,  
When the fields are bright with daisies,  
And the days are glad and long,  
God be with you in the summer

And may He fill your world with songs.

God be with you in the autumn,  
When the birds and flowers have fled,  
In the paths along the woodlands,  
Leaves are falling gold and red,  
When the summer's now behind you  
In the evening of the year,  
God b with you in the autumn  
And may He fill your world with cheer.

God be with you in the winter,  
When the snow lies deep and white,  
And the silent fields are sleeping,  
And the stars gleam cold and bright.  
When the land and heart are tired,  
With the long winter and its quest,  
God be with you in the winter  
Just to guide you in your rest.

Seek And You Shall Find  
P.51

Seek and you shall find.  
Knock and the door shall be opened.  
Ask and it shall be given,  
And the love come a-trickling down.

O my brother, the Lord has been here.  
My brother, the Lord has been here,  
My brother, the Lord has been here,  
And his love comes a-trickling down.

O my sister, the Lord has been here,

My sister, the Lord has been here,  
My sister, the Lord has been here,

Hawaiian Farewell  
P.51

Allah-u-Abha my brother  
Allah-u-Abha my sister  
This Faith we share together  
Sustains us as we part.

No tears we shed of sadness  
For we are bound together  
In unity forever  
A joy ne'er departs.

Chorus:

May God guide and protect you  
As you begin your venture  
To carry forth this message  
Uniting all mankind.

(Hum tune as Unity Prayer is read)

Cool Water For A Thirsty Land  
P.52

Chorus:

Cool water for a thirsty land,  
Cool water, cool water  
Who'll bring water for a thirsty land?  
Water for a thirsty land  
Water for a thirsty land

Now the world is like a desert  
And the land is parched and dried  
And millions burn with a thirst for  
The things that just won't satisfy.

Chorus

I counted all my blessings  
And the things I long to do,  
I gladly give the best I have,  
To the world for a purpose new.

Chorus

Now there's a stream of water  
That can cure and satisfy  
It comes to you as you give it away  
And it never, even runs dry.

Chorus

Would You Give Your Heart?  
P.53

A river of life  
Give your heart to Bahá'u'lláh?

Would you pioneer for Bahá'u'lláh?  
Would you pioneer for Bahá'u'lláh?  
Would you walk the deserts and cities,  
The jungles and towns  
Telling all of Bahá'u'lláh?

Would you give your life to Bahá'u'lláh?  
Would you give your life to Bahá'u'lláh?  
Would you give your earthly possessions  
Your worldly desires  
Your whole life to Bahá'u'lláh?

The Garden  
P.54

Oh, won't you come to the garden?

We all sing in the garden,

It's where our hearts blossom,

Love is so sweet,

We grow like roses,

Toward heaven we reach.

In the garden, yes,

In the garden.

Oh, won't you help the garden

A wonderful place to be?

It's where we sow seeds

Of love in the hearts.

They're so many flowers

All precious and beautiful

In the garden, yes,

In the garden.

In the garden, yes,

In the garden.

The Greatest Name

P.58

Come on all you glory boys  
And hoist your banners high;  
Pillars of the light are shining  
On the Persian sky.  
The people are awaiting  
To hear the Authors' fame  
Help us all proclaim the Greatest Name.

CHORUS:

Bahá'u'lláh! Bahá'u'lláh!  
Help us all proclaim the Greatest Name.  
Bahá'u'lláh! Bahá'u'lláh!  
Help us all proclaim the Greatest Name.

Come on all you ladies  
And let love adorn your face;  
For now it has been written  
That you take your rightful place.  
A bird with only one wing  
Surely will be lame  
Help us all proclaim the Greatest Name

CHORUS

Come on all you children  
Of the Kingdom, raise your voice  
For God in all His mercy

Has given men a choice  
And the Hearts of desert people  
Surely will see rain  
Help us all proclaim the Greatest Name

#### CHORUS

Come on all you people  
Who are endowed with gentle souls;  
You that inherit the earth  
The way the story goes;  
And I will be a traveler  
Who gently fans the flame ... and  
I'll help you all proclaim the Greatest Name.

#### CHORUS

Each One Teach One  
P.60

If only one with soul on fire  
Arose to serve his hearts' desire  
With knowledge, wisdom, love and care  
Seeks someone with whom to share  
One, two, four and eight  
We wouldn't have so long to wait  
We could set the world ablaze  
By following this simple phrase,

Each one teach one  
Scatter through the land  
Together, individually  
Reach the heart of man.

Each one teach one  
Watch our number grow  
If each one would teach we'd have  
One world for Bahá'u'lláh.

If everyone would do his part  
Plant the seeds within one heart  
Nurture it with loving care  
Till the hidden fruit does bear  
One, two, four and eight  
'til the Cause becomes so great  
That everyone will know its fame  
And all the world will call His Name.

Amazing Grace  
P.65

Amazing grace! How sweet the sound  
That saved a wretch like me.  
I once was lost, but now am found,  
Was blind, but now I see.

'Twas grace that taught my heart to fear,  
And grace my fears relieved.  
How precious did that grace appear  
The hour I first believed.

Through many dangers, toils and snares  
I have already come;  
'Tis grace hath brought me safe thus far  
And grace will lead me home.

The Lord has promised good to me  
His word my hope secures;  
He will my shield and portion be,  
As long as life endures.

Yea, when this flesh and heart shall fail,  
and mortal life shall cease,  
I shall possess within the veil,  
A life of joy and peace.

When we've been there ten thousand years  
Bright shining as the sun,  
We've no less days to sing God's praise  
Than when we've first begun.
