Structure of references:

A reference is assembled consisting of

- a pragmatic abbreviation of the title: Vyakaranamahabhasya = ,
- the number of the in arabic numerals,
- the number of the verse in arabic numerals.

Notes:

This file has been created by mass conversion of GRETIL's Sanskrit corpus from pmbhassu.htm. Due to the heterogeneity of the sources the header markup might be suboptimal. For the sake of transparency the header of the legacy file is documented in the note element below:

Patanjali: Vyakaranamahabhasya (Mahabhasya)

Based on the edition by Franz Kielhorn (Bombay 1880-1885),
revised by K.V. Abhyankar (Poona 1972-1996).

Input by George Cardona,
formatted by Masato Kobayashi.
